

Cut-Out Card – Mystery Card 11-06-2022

Supplies:

- 2 – 6" x 6" pieces of different DSP that coordinates with each other (you may use same DSP if flip side coordinates)
- 2 – 11" x 8 ½" pieces of coordinating cardstock for card bases
- 1 – 11" x 8 ½" piece of coordinating cardstock can be white/vanilla)
- 4 – Medium to Large size banners
- Sentiments for Banners
- Large Punch or Paper Trimmer
- Coordinating ink pad
- Adhesives of choice (I used Multipurpose Liquid Glue & Stampin' Seal)
- Embellishments of choice
- If desired for inside of cards:
 - 1 – 11" x 8 ½" white/vanilla cardstock
 - Sentiments and/or images for the inside

Directions:

1. Cut both card base cardstocks in half to make 4 – 8 ½" x 5 ½" pieces, then score at 4 ¼"
2. Cut single coordinating cardstock into 4 – 5 ¼" x 4" pieces
3. Put the DSP's together & cut at 5", then cut 5" pieces to 5" x 3 ¾", then cut 1" piece to 5" x ½"
4. Arrange 1 - 5" x 3 ¾" piece on 5 ¼" x 4" piece of coordinating cardstock centered, then arrange 2 of the 5" x ½" pieces centered on either side using the opposite DSP, adhere in place, then repeat doing the opposite
5. Take the 2 – 5" x 3 ¾" pieces and put them back-to-back, then punch or cut each corner, repeat with other 2 pieces
6. Arrange 1 - 5" x 3 ¾" cut-out piece on 5 ¼" x 4" piece of coordinating cardstock centered, then arrange the opposite DSP cut-out semi-circles in the cut-out areas of each corner, adhere in place, then repeat doing the opposite
7. Adhere each assemblies front to the front of the folded card-base
8. Adhere stamped banner to front of card & embellish if desired

INSIDE:

1. Cut 11" x 8 ½" white/vanilla cardstock into 4 – 5 ¼" x 4" pieces
2. Stamp inside sentiment and/or images on each of the pieces & adhere to the inside
