

Slide & Lock Card

Mystery Card – October 2022

Supplies:

- 1 of cardstock 5 ½" x 8 ½"
- 2 of 5 ¼" x 1 ⅞" strips of Designer Series Paper
- 4 of 3" squares of white or vanilla cardstock
- 1 of 3 ¼" square of white or vanilla cardstock
- 1 of 3 ½" square of coordinating cardstock
- 1 of 4" x 5 ¼" of white or vanilla cardstock
- Tear & Tape or Stampin' Seal + Trimmer/Scorer
- Stamp Set with images and sentiments
- Coordinating Ink
- Embellishments if desired

Directions:

- Score the large piece of cardstock at 2 ⅛" on each side and fold to meet in the middle (This fold makes a traditional gate fold card with a slight gap in the middle)
- Adhere the 5 ¼" x 1 ⅞" strips of Designer Series Paper to left & right flaps of card front
- Score two of the white squares at 1 ½", fold in half
- Using tear & tape or strong Stampin' Seal, put 2 lengths of tape on each side of the folds on top
- Attach one of the flat squares to ½ of one of the folded squares
- Attach the other folded square to other ½ side of that flat square
- Attach other flat square to other halves of the folded sides (it will look a pinwheel)
- Adhere 3 ¼" square of white or vanilla cardstock onto 3 ½" square of coordinating cardstock then stamp image or adhere die cut on the top
- Adhere stamped assembly to pinwheel assembly
- Stamp or adhere die cut to 4" x 5 ¼" of white or vanilla cardstock then adhere to middle inside of card
- Slide assembly over your card front, making sure the edges of the gate fold card fit right inside of this.
- Embellish as desired
